Dear HCC Foundation Friend,

We know you have a commitment to education and our city's future. That is why we are pleased to share with you our plans for **the Houston Community College Foundation Scholarship Gala 2016** on Saturday, April 16, 2016 at the Hilton Americas-Houston. The evening will showcase our students and the many achievements made possible through their education at HCC.

Noted Houston philanthropist and educational advocate **Susan D. Sarofim** will be our HCC Individual Crystal Eagle Honoree. We also are pleased to announce our inaugural Corporate Crystal Eagle Honoree, **Memorial Hermann Health System**.

Our theme this year, **"The Golden Ticket is Education,"** highlights the power of education to positively impact a person's life – a reality we see in the **113,000 students whose lives are transformed annually** at HCC. As a civic and philanthropic leader, you understand the importance of an educated workforce in Houston's economic development.

In 2014, the event helped provide many scholarship opportunities to HCC students including these programs:

- RigOne, Global Oil and Gas Drilling Training Center
- Maritime, Logistics, Material Science and Corrosion
- Veterans Affairs
- TRIO – Scholarships for at-risk students
- Workforce Programs

Now more than ever, the businesses that support our economy need employees with the knowledge and skills gained through higher education. HCC offers affordable educational and training opportunities, but even its modest tuition rates can be daunting to some. We invite you to support the HCC Foundation Scholarship Gala 2016. Your participation will help Houstonians reach their full potential and prepare them to make their own contributions to our city's future.

We have enclosed sponsor information and would be honored if you would join us. **A response form and envelope is included, and a reply by January 15, 2016 will assure your listing in the invitation and program. You may also reserve your sponsor commitment online at www.hccsfoundation.org/2016ScholarshipGala.** For more information, please contact Sylvia Romero at 713-718-8492 or sylvia.romero@hccs.edu.

We will open doors to untold opportunities for our students with your generosity! We look forward to a successful event on behalf of higher education for all Houstonians.

Warmest regards,

Sue and Randy Sim

Funds raised from the HCC Foundation Scholarship Gala 2016 will be distributed as scholarships for HCC students, two-thirds of whom come from economically disadvantaged backgrounds and nearly half of whom are the first in their family to pursue a higher education. Financial assistance, even on a modest scale, can make an enormous difference in their ability to attend and complete college. Your support will help ensure that all Houstonians have a chance to gain the knowledge and skills necessary for their success and for keeping our community vibrant and strong.

HCC is composed of 12 Centers of Excellence and numerous satellite centers that serve the diverse communities in the Greater Houston area by preparing individuals to live and work in an increasingly international and technological society. HCC is one of the country's largest singly-accredited, open-admission, community colleges offering associate degrees, certificates, workforce training, and lifelong learning opportunities.
