

HOUSTON COMMUNITY COLLEGE FOUNDATION PHILANTHROPIC STRATEGY COMMITTEE CHARTER

This Charter sets forth the responsibilities of the Houston Community College Foundation's **Philanthropic Strategy Committee**. This Committee – previously called the Fundraising Committee – was renamed in February 2024 based upon a recommendation from the HCCF Strategic Plan, FY24-28: “It is essential that the function of raising funds (unrestricted and otherwise) be viewed as a shared Board responsibility by all members and Committees. The Strategic Planning Committee raised up that having a single named ‘Fundraising Committee’ as part of the Board’s structure may create an unintended expectation that the work of raising funds is required only by members of this Committee. Therefore, the Strategic Planning Committee recommended this Committee be renamed to indicate a clearer role in driving strategy for HCCF Board fundraising as opposed to singular responsibility for the work and results of fundraising.”
